VEGETABLES SCARCE.

Between Seasons Finds Prices Highe: But Excellent Quality.

Buyers of vegetables will discover that some of the most popular green food is getting scarcer. It is just between seasons, a little too early fo. a great deal of Southern grown vegetables to be received, such vegetables as are now coming from the south, as cauliflower and beans being high priced. Some strawberries are bein received. Fresh tomatoes are ais coming in rapidly and sell for 15 cent. a pound. Very fine spring green onions, 2 bunches for 5 cents and green leeks at 1 cent each are or display. Oyster plants are unusually fine, so are the southern grown swee potatoes which sell for 40c a peck.

Some nice fresh lettuce, spinaciand kale is being shipped in from southern points. Fruits are plentiful Florida fruits being in most demanand cell at reasonable prices. Select applies are marcer than they were several weeks ago, the price having sisanced 10 to 20 cents a peck over pri es two weeks ago.

Poplary is about the same in price roung broilers being on sale ate 25 cents a pound. The best country egg can be secured for 35 to 38 cents : dozen. Western at 25 cents.

Meats, especially pork, has risen in price, the meat market being very u certain, prices fluctuating day by day The farmers having sold most of their resh killed pork before the helidays. pork to become scarcer and somewhat higher. Veal also has gone up in price, the best breast of veal being 18 cents now. So far as ouzlity is concerned the buyer will find that meats of all kinds are in the best of condition and choice roasts and cuts can be secured without trou-

To Cleanse Lace

Here is a recipe for cleansing laces which an old lace maker who has woven many a gossamer web for laces, Madame Modjeska, gave to her pupil and patron: Spread the lace out en paper. Cover with calcined magnesia, place another paper over it and put away between the leaves of a book for two or three days. Then all it needs is a skilful little shake to scatter the powder, and its delicate threads are as fresh and clean as when first woven.

New Hat.

A rather large and very smart type of hat which is being worn by well dressed women, is of a good make o white felt, and is shaped something like an inverted soup plate, the brin being turned down all around. Thi is trimmed with a rather broad rib ben in bright Coalport blue with black "stippling" at the extreme edge while the same shade of blue in fin straw provides the lining of the brim and makes a pretty frame to the fac-
